IMPORTANT ROAD ORDINANCE SECTIONS PERTAINING TO DRIVEWAYS

92.04 (F) No driveway, whether it is part of a land development or not shall be built or installed in such a manner that it will be necessary for any vehicle to back out onto any county or public road.

92.05(A) No road, driveway, or other entrance or exit of any nature or form shall be made into any county road without first having obtained a permit as set out in this subchapter from the County Judge and making such road, driveway, or other entrance or exit of any nature or form in accordance with all terms and conditions of such permit.

92.05(B) While no permit provided herein shall be denied except where public needs make the granting of such permit impractical or impossible, such permit shall contain not only the terms herein provided, but shall also insure that the granting of the permit shall not damage or be detrimental to any county road or the public interest, and shall specifically making the necessary requirement to insure that such county road will not be damaged, will be restored to as good or better conditions as prior to the issuance of the permit, and will not interfere with future public use of such county road.

92.05(D) Any person, firm, corporation or other entity which shall fail to obtain, or comply fully with the terms and conditions of any permit required by this subchapter shall be guilty of a continuing misdemeanor, with each day being a separate offense, from the first activity which takes place requiring a permit, until and including the date upon which permit has not only been issued, but fully complied with.

92.06 The County Judge shall charge a reasonable inspection fee for each permit requested, except a permit request for a private, one family driveway for which no inspection fee shall be charged.....

92.23 (F) Minimum pipe size for driveways or non-county road crossings shall be 18” and shall be the responsibility of property owner. Driveway or non-county crossing may be concrete culvert type or HDPE pipe, with minimum (1) one foot cover.

I have read and received a copy of Crawford County Highway Department regulations which pertain to single one-family driveway installations.
